

Title Transfers

To transfer title on a vehicle or vessel the new owners will need proof of ownership, proper identification and a bill of sale.

Acceptable proofs of ownership:

- Manufactured Statement of Origin (for brand new vehicles)
- Title properly released by all legal & registered owners
- Affidavit in Lieu of Title/Release of Interest Form

Special circumstances:

- Abandoned Vehicle Report (AVR)
- Notarized release of interest (for 3 year registration)

Proper Identification:

- Driver's license or any photo id with signature

Or any two of the following:

- A nationally or regionally recognized credit card with signature
- A signed ID card issued by a government agency
- Any certificate or other document issued by a government agency for the purpose of establishing identity.

Vehicles 10 years or younger

A completed odometer disclosure, signed by both the buyer and seller must be presented before we can process any title transaction on a vehicle 10 years or younger. The odometer disclosure form is located on the back of all Washington titles issued from 1991 to present.

Since a title transfer requires a notarized or certified signature of the new owners it is not possible to process these on the internet.
